

The 8th IWA Odour & VOC/Air

Emissions Conference

14-17 October, 2019

Hangzhou, China

First Announcement and Call for Abstracts

Welcome and Invitation

As the Chair of the IWA Specialist Group on “Odours and Volatile Emissions” and the Chair of the Conference Organizing Committee, it is my pleasure to invite you to Hangzhou, China to join the 8th IWA Odours and VOC/Air Emissions Conference. This will be the first IWA Odour Conference to be held in China in this series, after previous events in Australia, Singapore, Spain, Brazil, USA, France (cancelled due to Terrorist attack) and Poland.

The increased urbanization all over the world during the past years especially in China is now facing more frequently air quality issues. Odours and VOC (Volatile Organic Compound) emissions also present as key factors for planning and selecting locations for sustainable production in livestock & industry and for sustainable management of waste and wastewater. The novel cost-effective solutions are therefore not only relevant to Odour/VOC abatement and mitigation, but also to odour management as the key tool of securing the minimized impacts to local community. The Conference Organizing Committee and I look forward to welcoming you to this enjoyable event and to meeting all of you personally in Hangzhou in October 2019.

Sincerely,

Dezhao Liu

ZJU 100 Young Professor

Zhejiang University, China

Topics:

The conference will focus on the following main subject areas:

- Policy and associated regulations for odour and air quality
- Odour / VOC measurement, monitoring&sensor technologies
- Odour/VOC perception, impact, formation and dispersion
- GHG emissions, particulate matter and industrial emissions
- Source characterisation and odour/VOC mapping
- Odour/VOC abatement, mitigation and neutralization
- Odour/VOC from wastewater, sewer systems and livestock
- Air emissions and sustainable solutions for waste handling
- Community engagement, social media and citizen action
- Big data / data analytics

Important Dates:

1st March 2019 Deadline for abstract submission

30th April 2019 Notification of abstract acceptance

15th July 2019 Deadline for early registration

15th August 2019 Deadline for Authors registration

1st September Deadline for full manuscript submission

7th October 2019 Program publication

14th-17th October 2019 Conference

Call for Abstract

Authors are invited to submit abstracts by email to: iwaodours2019@zju.edu.cn or submit online on the official website. Abstracts must be original and written in English, and must not exceed 500 words and 2 pages in length, not including key illustrations and tables. The abstracts must contain sufficient information for the Scientific Committee to judge the full paper quality. Abstracts are due on 1st March, 2019. Proposals not selected for oral presentation will be considered for poster presentation. Please note that for each selected paper it is mandatory for at least one author to register for the conference. For more information, please visit the conference website (www.iwaodours2019.org).

Further Information

Details on conference registration will be published on the official conference website (under construction). Please note Hotel reservation is independent of the conference registration. Further information on accommodation, transportation, the technical tours and the social programme will be announced at the official conference website: www.iwaodours2019.org

Sponsoring and exhibition space

Organizations interested in conference sponsorship opportunities and / or participating in the trade and equipment showcase are invited to provide expressions of interest to:

Dr. Xianwang Kong
Assistant Professor
Zhejiang University, China
E-mail: xwkong5300@zju.edu.cn
Tel.: +86 8898 2563

For general inquiries or technical questions, please email: iwaodours2019@zju.edu.cn

Registration Fees

		Fee (RMB)	Fee* (US\$)
High income country - Early registration	Non IWA	3555	538
	IWA	2750	416
	YWP (student)	1950	295
High income country - Late registration	Non IWA	4055	614
	IWA	3250	492
	YWP (student)	2500	378
Low income country - Early registration	Non IWA	2855	432
	IWA	2050	310
	YWP (student)	1500	227
Low income country - Late registration	Non IWA	3305	500
